RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management (TDEM): TDEM personnel continue to respond to this severe weather and flooding incident. District Coordinators continue to assist local jurisdictions that have been affected by the severe weather, tornadoes and flooding.

TDEM Disaster Finance Coordinator – Region 6 is assisting the SOC Finance Section with cost calculations for state agency response. Regional Disaster Finance staff have deployed to Hill County to assist with disaster cost documentation.

TDEM Disaster Finance Coordinator – Region 1 is assisting the SOC Finance Section with cost calculations for state agency response. Regional Disaster Finance staff will deploy to Dallas County on Wednesday to assist with disaster cost documentation.

TDEM Disaster Finance Coordinator – Region 3 is working with Starr County to assist with disaster cost documentation.

Texas Military Forces (TXMF): TXMF Search and Recovery Team demobilized Thursday, June 11th.

Texas A&M Forest Service (TFS): TFS continues to monitor the situation and support operations where requested.

Texas Commission on Environmental Quality (TCEQ): TCEQ Regional Office Staff continue to reach out to numerous counties that have been impacted and provide assistance with debris management guidance.

City of Denton Landfill

The TCEQ DFW Regional Office approved the landfill's request to extend the operating hours for accepting waste at the City of Denton Landfill. If the landfill still has a need at that time for extended hours due to the disruption of services at the DFW and Camelot Landfills or the need to handle storm debris, another extension request will need to be submitted.

City of Midlothian

The TCEQ DFW Regional Office provided debris management guidance to the City of Midlothian.

City of Terrell

The City of Terrell (Kaufman County) contacted TCEQ DFW Region office requesting to operate a temporary debris management site and conduct open burning. The proposed site location is at the closed City of Terrell landfill.

TCEQ Public Drinking Water and Wastewater Updates: TCEQ reports 17 Boil Water Notices (BWN) remain in effect for the following counties: Bastrop, Brown, Caldwell, Dallas, Hays, Hood, Liberty, Limestone, Rusk, Travis and Walker. Multiple Sanitary Sewer Overflows (SSO) has been reported around the state due to flooding. Mallard Lake Club Public Water System (PWS 0200277) in Brazoria County, on June 3rd, two 900-gallon pressure tanks were lifted by flood waters. As of June 10, the water has not receded and the system remains offline.

TCEQ Dam Safety Program: Continues to monitor several dams across the State that have been impacted by the flooding conditions. Updates will be provided, as needed.

Texas Department of Transportation (TxDOT): 27 roads remain closed across the State due to flooding or damage. See DriveTexas.org for updates. Debris management is ongoing. TxDOT has begun major infrastructure repairs.

Texas Department of State Health Services (DSHS): Monitoring remotely. Continue to respond to requests from local governments for vaccines.

Texas Department of Insurance (TDI): TDI has distributed information to media outlets and social media advising that consumers can get help with filing their insurance claims by calling the Consumer Help Line **800-252-3439**. Two insurance specialists have deployed to the Wimberley Disaster Recovery Center (DRC). TDI is prepared to deploy more staff as additional DRCs open.

Texas Department of Housing and Community Affairs (TDHCA): TDHCA continues to coordinate resource delivery through its local Community Services Block Grant ("CSBG") program administrators, typically CAAs, which serve impacted counties to provide gift cards for gas, food, and essentials, and possible hotel vouchers. The local CSBG program administrator is working closely with the Red Cross and the VRC assisting with rents. Community Action, Inc., of Central Texas ("CACT") is working with the DRCs to direct displaced tenants of San Marcos Housing Authority managed properties to call HUD's toll-free line at 800-955-2232 for assistance. They also are providing a list of TDHCA-funded affordable multi-family property vacancies to households upon request.

Texas Department of Criminal Justice (TDCJ): Texas Department of Criminal Justice is continuing to monitor the Brazos River in Rosharon. TDCJ has no unmet needs.

Federal Emergency Management Agency (FEMA): FEMA has received 9,343 Individual Assistance (IA) applications. IA funds have been approved for \$11.9M. Scheduled inspections are 63.5 percent complete. FEMA continues to encourage residents to register, especially those in currently undeclared counties, to provide insight into possible locations for future damage assessments. FEMA Mobile Registration Intake Center (MRIC): One is operational in Wimberley; two in Houston; and one in San Marcos. FEMA Disaster Recovery Center: One is operational in Hays County.

Civil Air Patrol (CAP): Patrol flights observed and noted sources of pollution and levee breaches. CAP completed 2 photo sorties, 1 communications sortie and 3 transportation sorties on Wednesday, June 10th. This brings the total sorties flown to 138, equaling 254 flight hours. Aerial imagery was transferred to the Mid America Geospatial Information Center (MAGIC) at UT-A. No CAP operations for Thursday, June 11th while Wednesday's imagery is analyzed at MAGIC.

Texas Voluntary Organizations Active in Disaster (VOAD): Texas VOADs have been active in several areas of the State, and continue to be a vital part of the humanitarian efforts in responding to the needs of impacted jurisdictions. They continue to provide feeding, hydration, sheltering, mud-out, damage assessment, chaplaincy, daycare, and other important services. They also provide hydration and feeding services to responders and volunteers who are responding to impacted areas.

The Texas VOAD Situation Report can be found on the TDEM webpage at: <http://www.dps.texas.gov/dem/sitrepindex.htm>

Additional information related to Texas VOADs can be found at: <https://txvoad.communityos.org/cms/home>

FINAL COMMENTS: The State Operations Center (SOC) is at Level IV (Normal Conditions). The Texas Division of Emergency Management (TDEM) continues to monitor the situation and will provide additional situation reports as needed.

The four levels of SOC activation are:

- Level I (Emergency Conditions)
- Level II (Escalated Response Conditions)
- Level III (Increased Readiness Conditions)
- Level IV (Normal Conditions)

This Situation Report can be found on the TDEM webpage at www.txdps.state.tx.us/dem.
